

A LETTER FROM THE SHERIFF

The Davis County Sheriff's Search & Rescue is a non-profit organization and official auxiliary of the Davis County Sheriff's Office, who provides mountain and water search & rescue services to the citizens of Davis County free of charge, 24 hours/day, 365 days/year.

They also participate in numerous community education, preparedness and training programs each year, including many Elementary School-age programs designed to help children stay safe in the wilderness.

Thousands of hours are donated each year by this 35 member all-volunteer team to provide these professional services without consideration for personal monetary compensation or reward.

This is a significant effort, maintained primarily through the support of the community with no considerable drain on tax dollars. Funds raised from this tournament are used to purchase the new equipment and training necessary to conduct search and rescue operations throughout the year.

I would like to invite you to participate in this year's tournament. This is a great opportunity for individuals and businesses to support a very worthwhile community program.

Thank you for your support.

Sincerely,

Bud E. Cox
